

**QUESTION NO 20**

**By Councillor Laidlaw for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 28 July 2020**

Notes the COVID-19 pandemic has led to a reallocation of resources across the Council and that as a result that weed issue on our roads, pavements and paths is once again impacting on the appearance of our city and its fabric, increasing costs of repair.

Asks the Convener to update Council on:
