

QUESTION NO 12

**By Councillor Gloyer for answer by
the Convener of the Transport and
Environment Committee at a meeting
of the Council on 17 September 2020**

Question

Public consultation on the second phase of the proposals from the Strategic Parking Review was originally expected to take place in the first quarter of 2020. It was delayed in order to take account of feedback from the consultations in Gorgie and Leith, and was then expected to commence in April which, for obvious reasons, was not possible. Will the Convener confirm the new timescale for consultation, design and subsequent implementation of appropriate parking controls for Roseburn, Saughtonhall and Corstorphine?

Answer
