Question

A request has been submitted for widening of the pavement at this school (one of the largest in the city) to help ensure safe distancing of P1/P2 parents and easy of pedestrian flow/independent pupil access to school. As this situation continues on a daily basis with around 100 parents, please advise on what date a decision will be taken and if approved, how long it will take to implement (mindful that is it just about repurposing a grass verge area).
