Report

Supplementary Agreement to Minute of Agreement for the Edinburgh and South East Scotland Region Joint Committee

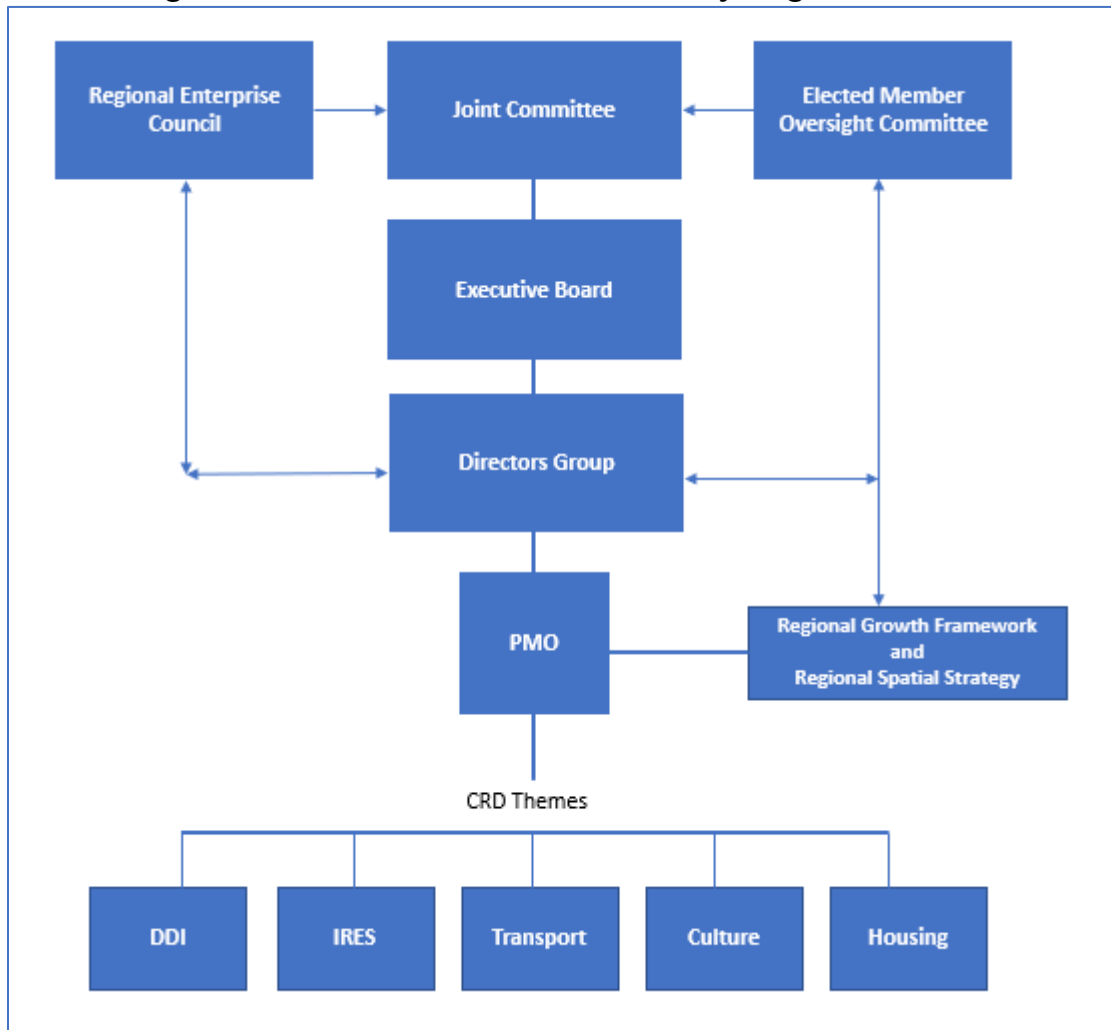

2. Executive Summary

- 1.1 Draft supplementary agreement to the Minute of Agreement for the Edinburgh and South East Scotland City Region (ESESCR) Deal is included for ratification by the City of Edinburgh Council.
- 1.2 The supplementary agreement was approved by the ESESCR Joint Committee at its meeting on 4 September 2020.
- 2.3 The powers and duties of the ESESCR Deal Joint Committee are delegated to it by member councils as set out in the Minute of Agreement. This supplementary agreement therefore requires to be agreed by the constituent councils

3. Background

- 3.1 The [Standing Orders](#) and Minute of Agreement for the Edinburgh and South East Scotland City Region Deal Joint Committee were agreed at the Joint Committee's inaugural meeting on 2 November 2018.
- 3.2 On 6 March 2020, Joint Committee received a report on the development of the Edinburgh and South East Scotland City Region's [response to the National Planning Framework 4 "Call for Ideas"](#). That report highlighted that an Elected Member Oversight Committee would be established to oversee the longer-term progress of the Regional Growth Framework and Regional Spatial Strategy.
- 3.3 On 12 March 2020, [a report was submitted to the City of Edinburgh Council](#) describing how this group would fit into the City Region Deal Governance Structure, as shown in Figure 1:

Figure 1: Governance Structure for City Region Deal

- 3.4 The report recommended that Council to appoint two members to represent the City of Edinburgh Council on the Elected Member Oversight Committee. Cllrs Adam McVey and Cammy Day were appointed at the meeting.

4. Main report

- 4.1 The existing Minute of Agreement sets out the powers and duties delegated by member councils to the Joint Committee. To ensure that the Joint Committee has the appropriate authority to delegate to the Elected Member Oversight Sub-Committee responsibility for overseeing the development of the Regional Growth Framework (RGF) and interim Regional Spatial Strategy (iRSS), it is necessary for this to be explicitly stated within the Minute of Agreement.
- 4.2 This supplementary wording states that the Joint Committee will establish under the Joint Committee Arrangements and its Standing Orders an Elected Member Oversight Sub-Committee, for the purposes of overseeing and

directing the additional work as a result of this Supplementary Agreement and for other purposes, as detailed in the appendices.

- 4.3 The specific wording of the clauses is set out immediately below and specifies the work to be progressed and reaffirms the role of the individual councils in agreeing to the policy proposals brought forward.
- 4.3.1 Working in partnership with public authorities, public bodies and other public or private organisations it deems appropriate, including but not limited to the UK and Scottish Governments, SESplan and SEStran, to co-ordinate, plan, prepare, deliver, review and renew, any Regional Growth Framework and Regional Spatial Strategy for Edinburgh and South East Scotland, interim and final, or any replacement or reiteration or analogous such framework, strategy or plans, subject to the constituent councils' agreement to policy proposals.
- 4.3.2 To co-ordinate amongst the constituent councils, a contribution to the preparation, review and renewal of the National Planning Framework (NPF4) and its subsequent iterations or replacements, subject to the constituent councils' agreement to policy proposals, and to coordinate and support the constituent councils in their own contributions to it.

5. Next Steps

- 5.1 As the Supplementary Agreement will not have been considered, approved and fully signed ahead of the deadline for submitting the iRSS (30 September 2020) the existing arrangements will be adhered to for that purpose, namely reporting through the SESplan Joint Committee. An update report will, however, be provided to the ESESCR Deal Joint Committee.
- 5.2 The EMOC will hold its first meeting once Councils have ratified the supplementary agreement to the Minute of Agreement. It will engage with relevant Boards, committees and organisations including: the ESESCR Deal Joint Committee, City Region Deal Thematic Boards (including the Transport Appraisal Board and the Regional Housing Board), SESplan and SEStran.

6. Financial impact

- 6.1 At present, there is no indication that preparation of the RGF and iRSS, including the governance arrangements, will require any additional budget contributions from partner Councils and bodies.

7. Stakeholder/Community Impact

- 7.1 A fundamental aim of the City Region Deal is to achieve inclusive growth across the whole region including the more disadvantaged communities, thereby creating new opportunities; particularly in the areas of skills, employability and housing. The RGF and iRSS can reinforce this aim and its intended outcomes.
- 7.2 Inclusion and sustainable place-making and the recognition of climate change and the low carbon agenda will be central to the RGF and iRSS. The RGF and iRSS will align with the Scottish Government's Inclusive Growth Framework, Climate Change Plan and other key national and regional policies which have inclusion and sustainability central to them, including recommendations from the Infrastructure Commission, Capital Spending Review, Strategic Transport Planning Review 2, Regional Transport Strategy and National Planning Framework 4.
- 7.3 The RGF will be designed with equalities, human rights, poverty and sustainability in mind, and is being developed with input from the Scottish Government and Equalities and Human Rights Commission.
- 7.4 The EMOC will comprise twelve councillors, two each from the six local authorities, together with representatives from the regional Higher/Further Education consortium and the Regional Enterprise Council.
