

Motion by the Coalition

Finance and Resources Committee

3 December 2020

Item 7.5 – Tron Kirk, Edinburgh

Committee notes the contents of the report and the work that has been carried out by both officers and EWH to realise the Tron Kirk project. Further notes that if the project were to proceed there would be a substantial impact on the Capital Budget Strategy that would negatively impact capital projects across the city.

Committee therefore agrees Option A in the report and instructs officers to bring forward a report on the short and longer term future of the building to a future meeting of the Finance & Resources committee.
