## Governance, Risk & Best Value Committee

8 December 2020

### Item 8.7 Best Value Assurance Audit

Addendum to recommendations:

That when the refreshed Council Business Plan is brought forward this should clearly state what current plans it replaces and how progress against the Plan will be measured and reported to Council so that Council governance is clear; and

That the further consideration of genuine local community empowerment is reported back to Committee with details on how this will be put in place with a clear process and timescale that can progress can be measured against.
