

**QUESTION NO 4**

**By Councillor Webber for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 27 May 2021**

In December 2020 Council Officers were made aware that Juniper Green Primary School parents and staff had carried out research and had pulled together a comprehensive Road Safety Action Plan to be progressed through 2021.

Through the local Ward Councillor, Councillor Webber, a draft of this road safety action plan was provided to Council officers. This included 50 ideas to be reviewed and considered and was obviously created with local knowledge and awareness of the entire area and this document made no mention of a planter!

**Question** (1) Is it safe to assume that the Spaces for People team are not genuinely interested in working collaboratively with communities, parent councils and schools to make their road safety action plan live and implemented and would rather progress with their own interpretation of the issues and the solutions?

**Answer** (1)

**Question** (2) How should the parent council and school progress their Road Safety Action Plan given the placement of the planter in April 2021?

**Answer** (2)
