## Annual Assurance Schedule – Edinburgh Health and Social Care Partnership

### 2. Executive Summary

---

- 2.1 The purpose of this report is to present the annual assurance schedule covering 2020-21 for the Edinburgh Health and Social Care Partnership (the Partnership) to Governance Risk and Best Value Committee (GRBV) for scrutiny.

### 3. Background

---

- 3.1 Every year, the Council requires all Executive Directors and the Chief Officer to review the effectiveness and appropriateness of controls within their areas of responsibility and complete a certificate of assurance. The certificate of assurance supports the drafting of the Council's annual governance statement which is a part of the Council's statement of accounts.
- 3.2 To support the Executive Directors and Chief Officer review their control environment, annual assurance statements are sent out which cover the following areas: risk and resilience, policy, governance and compliance, information governance, health and safety, performance, contract management, financial control, inspection reports and internal audit.
- 3.3 The Partnership was created by the City of Edinburgh Council and NHS Lothian as the vehicle for delivering services delegated to the Edinburgh Integration Joint Board (EIJB).
- 3.4 Although staff remain employed by the Council or NHS Lothian, they work in an integrated organisational structure. The budget allocated to the Partnership is approximately £600 million and almost 6000 staff deliver the following services:
- 3.4.1 social work services for adults, including disabilities, mental health, older people, sensory impairment, and substance misuse
  - 3.4.2 support for carers
  - 3.4.3 primary care services including GP's and community nursing

- 3.4.4 allied health professionals, such as occupational therapists, psychologists, and physiotherapists
- 3.4.5 community dental, ophthalmic, and pharmaceutical services
- 3.4.6 continence services
- 3.4.7 unplanned admissions to hospitals.

## **4. Main report**

---

- 4.1 The certificate of assurance requires Heads of Service, Executive Directors and Chief Officer to confirm that:
  - 4.1.1 They have considered the effectiveness of controls in their service area / directorate, including controls in place to mitigate major risks to their service area / directorate's objectives.
  - 4.1.2 To the best of their knowledge, appropriate controls are in operation upon which they can place reasonable assurance and that there are no significant matters arising that should be raised specifically in the Annual Governance Statement (or otherwise); and
  - 4.1.3 They have identified actions that will be taken to continue improvement
- 4.2 A completed annual assurance statement was completed by each Head of Service within the Partnership.
- 4.3 This was then taken as the basis of the Chief Officer's assurance statement which is attached as appendix 1. The Chief Officer's assurance statement was returned to the Governance Team within Strategy and Insight for review and subsequently the Chief Officer is asked to sign a certificate of assurance. The Partnership's assurance statement along with the other directorate assurance statements were used to draft the Council's annual governance statement as part of the Unaudited Annual Accounts for 2021.
- 4.4 As part of the completion of the assurance statement for 2021, the Partnership felt that there was partial compliance in the following areas:
  - 4.4.1 Risk Management
- 4.5 As part of the process an improvement plan has been developed and included as appendix 2 covering the areas identified as partially compliant with responsible officer and deadlines included. Due to the significant impact of Covid19 on Partnership services, it is likely that elements of the improvement plan may need to be reassessed and delivery deadlines reviewed.

## **5. Next Steps**

---

- 5.1 The Partnership continues to work to deliver those actions identified in appendix 2 to strengthen controls in key areas.
- 5.2 The annual assurance process will continue to be reviewed in line with feedback to ensure that effective assurance is provided.

- 5.3 The 2021-22 annual assurance schedule will be presented to Governance, Risk and Best Value Committee in 12 months for scrutiny.

## **6. Financial impact**

---

- 6.1 The annual assurance process and development of the annual governance statement is contained within relevant service area budgets.
- 6.2 An effective control framework is key in ensuring that the Council has appropriate governance in place.

## **7. Stakeholder/Community Impact**

---

- 7.1 The assurance schedule exercise acts as a prompt for service areas to think about good governance and their internal control environment. Action plans support improvements in areas where weaknesses have been identified.
- 7.2 Completed schedules are reviewed by the Democracy, Governance and Resilience Senior Manager and are provided to the Chief Internal Auditor for comment.
- 7.3 The annual assurance schedule template has been drafted using input from the Council's subject matter experts and contributions from a range of specialist areas across the Council and Partnership including resilience, health and safety and internal audit.
