Recommendations

It is recommended that this application be Approved subject to the details below.

Background information

The Development Management Sub-Committee determined to grant this application on 4 December 2019, subject to the conclusion of a legal agreement within six months of this date to secure the necessary delivery of on-site affordable housing. Under the Scheme of Delegation, the Chief Planning Officer has delegated powers to extend the six-month period for concluding a legal agreement to nine months, provided meaningful progress is being achieved. This delegated power was used to extend the period for concluding the legal agreement by a further three months. On 16 December 2020 Committee granted an additional extension of three months until 16 March 2021. On 21 April 2021 Committee granted an additional extension of three months until 21 July 2021. However, this additional three month period has now been exceeded and therefore, the matter requires to be returned to Committee for a decision.

Main report

There are no new material planning considerations which affect the original Committee decision on 4 December 2019 to grant this application subject to a legal agreement first being concluded to secure the necessary infrastructure.

The Section 75 legal agreement seeks to secure on-site affordable housing. This is the third of the first three Build to Rent S75s in the city to propose the ongoing delivery of Affordable Housing on the site via intermediate rental units. This is an entirely new form of affordable housing for the city. The developer, being responsible for building and delivering the affordable housing as part of their development, has the potential to improve sufficient delivery of affordable housing at no expense to the Council. However, it is critical adequate safeguards are put in place to ensure that affordable housing is in fact being delivered on the site throughout the 25-year affordable period. An entirely new bespoke schedule has required to be developed to address this new issue, with input from the developers and their agents on each of the three BTR S75s.

The report of 21 April 2021 advised that while the major issues had been mostly resolved, there was one substantive issue remaining. Following detailed further negotiation, the Section 75 legal agreement terms were finally agreed shortly after the signing deadline of 21 July 2021. A further three-month extension would enable the legal agreement to be signed and planning permission released.

It is recommended to extend the deadline for concluding the legal agreement by a further three months until 21 October 2021 to enable planning permission thereafter to be released.
