Committee - Transport and Environment

Date - 19th August 2021

Item – 7.9 Trams to Newhaven – Objections to Traffic Regulation Orders

Committee;

Considers that the likely impact of the TRO prohibiting a left turn from Leith Walk onto London Road will be to displace vehicular traffic including buses from the Annandale Street depot away from arterial routes and on to quieter side streets.

Therefore, amends recommendation 1.1.4 to read;

Approve the recommendations contained within this report and detailed in Appendix 1 with the exception of the separate TRO prohibiting a left turn from Leith Walk into London Road
