

QUESTION NO 10

By Councillor Rust for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 23 September 2021

With reference to Qu 15.4 relating to *Spaces for People* market research, for answer by the Convener of the Transport and Environment Committee at a meeting of the Council on 24 June 2021, the response was: "*Questions have been asked about a small number of responses to the market research (13 out of 583 (2% of the sample). These questions are being investigated. However, even if all 13 were to be discounted, there is no material impact on the outcome of the research.*".

Question

What was the outcome of that investigation and how were the anomalies explained?
