Report Title: Petition for Consideration: Resurfacing for Particularly Noisy Cobbled Streets - Learmonth Terrace, Dean Park Crescent and Comely Bank Avenue

Committee thanks residents for their petition and the additional photographs provided.

Committee agrees:

that officers should undertake new inspections of all three streets listed in the petition to determine what repairs are required.

that separate traffic speed surveys should be undertaken on each street, with the petitioners consulted on the positioning of the speed monitoring equipment in each case.

that the results of the inspection and monitoring be reported back to the 11 November 2021 meeting of the committee.
