Report

Council Diary 2022/23

2. Executive Summary

- 2.1 This report proposes meeting dates for all Council and Committee meetings from August 2022 to August 2023. It also includes proposed dates for recess periods and Council meetings from August 2023 to August 2024.
- 2.2 This report also proposes to cancel the planned Council meeting for 28 April 2022 due to the proximity to the local government elections.

3. Background

- 3.1 Standing Order 4.2 states that committees will hold such meetings as the Council prescribes.

4. Main report

- 4.1 Under the current political management arrangements, there are six Executive Committees and a number of statutory and other committees and sub-committees. The diary at appendix 1 includes dates of meetings of each of these committees, Council meetings and recess periods
- 4.2 The proposed dates follow the normal Council cycle and also take into account the Policy and Sustainability Committee decision of May 2019 in relation to family friendly scheduling. Specifically; that Council recess periods broadly matched Council school holiday periods other than during the summer period, to schedule an additional recess week during summer school holiday periods; and to fully align Easter recess with school holidays.
- 4.3 In some cases, dates are subject to confirmation by the parent board/committee (e.g. Edinburgh and South East of Scotland City Region Deal Joint Committee; Integration Joint Board; Lothian Valuation Joint Board; Licensing Board). Where known these dates have been marked as provisional.

- 4.4 Special Meetings (and minor changes to cycle patterns) have been included where requested by directorates to meet required timescales e.g. to set the Council budget, review annual performance.
- 4.5 As part of the Council's preparations for the May 2022 Local Government elections, a review of the Council's Political Management Arrangements is being carried out. The findings of this review and recommendations on future arrangements will be presented to the new Council following the elections. The arrangements agreed will likely impact on the Council diary to a greater or lesser extent depending on the arrangements agreed. A revised version of the diary will also be presented to the new Council. This version will support future planning where possible
- 4.6 It is normal practice for the Council to agree the timing of recess periods and Council meetings a year in advance. The proposed recess periods and Council meeting dates for August 2023 to August 2024. are included at appendix 2. School term dates for 2022/23 and 2023/24 have been agreed by the Education, Children and Families Committee and the recess periods reflect these.
- 4.7 The scheduled Council meeting for April 2022 is only one week before the local government elections, therefore it is proposed that this is cancelled to allow members and officers to focus resources on the elections.

5. Next Steps

- 5.1 The meeting schedule will be implemented from August 2022 subject to any changes following the Review of Political Management Arrangements.

6. Financial impact

- 6.1 None

7. Stakeholder/Community Impact

- 7.1 Consultation was undertaken with conveners, group leaders and directors as appropriate

8. Background reading/external references

- 8.1 None.

9. Appendices
