Item 7.7 – Policy on Advertising and Sponsorship

Add at the end of recommendations:

- 1.1.4 Committee notes that this policy does not address risk of impact on the Council and city when policy and advertising is not on Council property but has a direct association with the Council.
- 1.1.5 Therefore Committee requests that the Executive Director of Resources explore with contracted external organisations and ALEOS, how best to address this and report back to Committee as part of the annual review.
