QUESTION NO 22

**By Councillor Macinnes for answer
by the Leader of the Council at a
meeting of the Council on 22
September 2022**

Question

At the June Full Council it was unanimously agreed by Council, following my motion which was constructively amended by Green and Liberal Democrat contributions, that we would receive a report on the establishment of a Young Person's Assembly within two committee cycles. Can the Leader tell us what interventions he has made, before receiving this question, to ensure that this vital contribution to effective policymaking and implementation will be brought forward?
