

**QUESTION NO 38**

**By Councillor Cowdy for answer by  
the Convener of the Transport and  
Environment Committee at a meeting  
of the Council on 27 October 2022**

Given that:

- There is a budgeted Carriageway and footway replacement cost of £2,260m
- The Roads and Footway Capital Investment Programme capital budget for 2022/23 is £15.178m
- At this rate of replacement/repair it would take 149 years to repair all the city's roads and pavements
- New roads have a life expectancy of 20-30 years

**Question**

Can the Convener confirm the cost impact to road repairs of implementing Street Design Guidance?

**Answer**
