

Addendum by the Green Group

Planning Committee

Wednesday 18th January

Item 7.1 Edinburgh Urban Design Panel – Annual Review

After 1.1.3 insert;

1.1.4 At this meeting, discuss gender mainstreaming, review the gender balance of the panel and membership organisations, and identify gaps in intersectional views and processes;

1.1.5 Welcome the interest in training on women's equality and, in light of the introduction of National Planning Framework 4 (NPF4), identify where other equality and inclusion training is necessary and how strong the Panel's impact will be with regards to these issues;

1.1.6 Request a briefing on how the views and experiences of minority groups are represented on the Panel - and in the Planning process - with specific reference to impact assessments;

Renumber accordingly.
