Foreword

The City of Edinburgh Council is committed to supporting and growing the use of Gaelic amongst our staff, our communities, in our schools and in our wider culture.

As Scotland's capital city, Edinburgh has a special responsibility to nurture and help cultivate the Gaelic language. Gaelic is an integral part of our shared heritage and national identity, a unique and essential feature of Scotland's rich cultural tapestry.

Our approach to Gaelic will continue to be progressed in keeping with the city's wider '2050 Edinburgh City Vision' which states that Edinburgh aspires to be a connected, inspired, fair and thriving city. The Gaelic language and Gaelic communities are an integral part of this vision.

Over the life of our last Gaelic Language Plan, the Council has continued to make strong steps towards a more vibrant and visible Gaelic language and culture. We have continued to deliver high-quality Gaelic Medium Education (GME) from early years, through primary and on to high school, meeting the challenges of Covid and then supporting staff teams, families and learners to move forward beyond the pandemic.

We have continued to work towards a sustainable future for Gaelic across the city and have benefitted greatly from a dedicated post, which was part funded by Bòrd na Gàidhlig, bringing knowledge, expertise and creativity to greatly boost the visibility of Gaelic in the city. This created the foundations for Capital Gaelic, a partnership with the National Library of Scotland, working together with partners across the city to embed Gaelic as a vibrant part of life in Edinburgh for the benefit of citizens and visitors.

This plan will be delivered with the leadership of elected members and the support and dedication of council staff. Importantly we will also look for every opportunity to increase the visibility and support for Gaelic in our wider communities.

While recognising that this plan will be implemented in a time of the widely documented challenge to public sector finances, over the next five years, we will work alongside our Gaelic communities and an increasingly diverse range of partners and organisations to deliver a vibrant and sustainable approach to Gaelic language and culture in the city.

Introduction

The Gaelic Language (Scotland) Act 2005 was passed by the Scottish Parliament on 21st April 2005 with cross-party support, receiving Royal Assent on 1st June 2005.

Under the Gaelic Language (Scotland) Act 2005, the City of Edinburgh Council has a statutory obligation to support Gaelic through the development of a Gaelic Language Plan (GLP) to help ensure that Gaelic continues to thrive.

This is a draft of the City of Edinburgh Council's third Gaelic Language Plan. It sets out for comment the proposed high level aims and actions for the next four years, in line with the National Gaelic Language Plan, which aims to:

- Increase the use of Gaelic
- Increase the learning of Gaelic
- Promote a positive image of Gaelic

This draft GLP aligns with the key priorities of the [City of Edinburgh Council Business Plan](#), the aims and vision of [Edinburgh Learns for Life](#), and with the city's wider '2050 Edinburgh City Vision' which states that Edinburgh aspires to be a connected, inspired, fair and thriving city. The Gaelic language and Gaelic communities are an integral part of this vision.

Gaelic in Edinburgh

As Scotland's capital city, Edinburgh has a special responsibility to nurture and help cultivate the Gaelic language and culture. Gaelic is an integral part of our shared heritage and national identity and is a unique and essential feature of Scotland's rich cultural tapestry. Edinburgh has played a key role in Gaelic life for centuries with many place names having Gaelic origins. For example, Craigentenny comes from the Gaelic Creag an t-Sionnaich which means the rock of the fox. Further details of Gaelic in Edinburgh are available from [this link](#) to a page on the Forever Edinburgh website.

Strong foundations

This draft GLP sets out ambitions and plans for the next phase of embedding and promoting Gaelic in Edinburgh to ensure that it has a thriving future.

Its key aims are to have strong and effective Gaelic Language Education and importantly, the opportunity to use and learn about the language and culture beyond the classroom, so that Gaelic becomes more relevant, accessible and interesting for the whole population.

The plan continues to build on the progress made since 2012, when the first plan was published.

Progress made in Gaelic Medium Education (GME) includes:

- Improved and increased **early years GME** provision (for children aged 0-5 years) through Scottish Government funded Early Learning and Childcare, including engagement with partner providers to increase capacity and the creation of a

Appendix 1

dedicated Development Officer post, part funded by Bòrd na Gàidhlig, to support improvement and alignment across early years services

- Improvement of the **learning estate** including the creation of additional capacity and enhancement to acoustics within the primary school building; transition to the GME base at the refurbished Darroch campus; the creation and recruitment to dedicated GME Deputy Head Teacher (DHT) post; and securing of additional Scottish Government capital funding for IT, science equipment and a nurture base
- Ongoing expansion of the **GME curriculum offer** across our provision, within the Broad General Education (from primary 1 to S3) and into the senior phase
- Provision of career-long **professional learning** opportunities for school teams
- Development of partnership work to enhance and extend **immersion for learners** and to maximise opportunities for meaningful engagement with Gaelic language and culture within and beyond the classroom.

Progress in promoting and embedding Gaelic language and culture within the Council and beyond includes:

- Continuing to **support Council staff and Elected Members** with the learning and use of Gaelic across the Council, including the language, history and culture
- **Increasing the visibility of Gaelic** in a range of ways, including external signs (e.g. historic graveyard sites, Meadowbank Sports Stadium and the new Castlebrae Community Campus), and bilingual names for stops on the Edinburgh Trams website
- Working with partner organisations (including the National Library of Scotland, National Galleries and Edinburgh Local Mòd) to deliver a **programme of Gaelic events and exhibitions**, involving the Gaelic community and GME pupils
- Continuing to promote **Gaelic in tourism**, working with Invisible Cities to develop a “Gaelic in Edinburgh” tour and with Visit Scotland as a member of their Gaelic Implementation Group
- Continuing to develop **career opportunities** for GME pupils, for example, the Young Female Leadership Programme, involving the National Library of Scotland, James Gillespie’s High School and supported by Baillie Gifford. In addition, we are developing Foundation Apprenticeships with Skills Development Scotland and other Capital Gaelic Network partners.

A major development has been the Capital Gaelic project, in partnership with the National Library of Scotland, and part funded by Bòrd na Gàidhlig. The project, initially funded for one year, started in late 2021, and aims to build partnership working across the public bodies in Edinburgh to meet the aims and ambitions of the Gaelic Language Act.

Further details are available in the Council's annual GLP progress reports to Bòrd na Gàidhlig. The most recent progress report is available [here](#).

The next phase – draft plan for 2023-27

The two key aims of the next phase of our Gaelic Language Plan for 2023-27 are:

- Continuing to develop high quality Gaelic Language Education for 0-18 years
- To develop the cultural, social and employment opportunities which are needed for Gaelic to flourish

High Quality Gaelic Language Education

Continuing to develop high quality Gaelic Language Education for 0-18 years will be supported by the Gaelic Medium Education (GME) Improvement Plan, which has clear links with Edinburgh Learns for Life and national guidance.

The future shape and location of GME provision in the city has been under consideration for a number of years, with an options appraisal for new secondary provision initially presented to parents in January 2020. The Education, Children and Families Committee in January 2022 decided to pause plans for statutory consultation on the proposed new GME provision so that officers could undertake further pre-consultation engagement with parents and partners. This activity is underway and will inform timescales for the actions to improve GME provision.

We plan an added emphasis on bilingualism and cultural capital, which will link with languages education across our schools, through the Scottish Government 1+2 Approach. Opportunities for learners to engage with Gaelic (through L3 and IDL models) will be developed and promoted in all schools. We will conduct a thematic review of Gaelic Language Learning provision for children, families and adults as a basis for planning and development of provision across the life of this plan.

Building cultural, social and employment opportunities

Education needs strong links with cultural, social and employment opportunities for Gaelic to flourish, which in turn need:

1. Meaningful opportunities for Gaelic to be used beyond classroom settings, particularly for young people. The development of youth employment opportunities for Gaelic speakers is crucial
2. Wider knowledge, understanding and respect for Gaelic among the general population
3. Increased engagement with Gaelic language and culture across generations and across communities

To support this ambition, the Council will continue to work with other public bodies across Edinburgh to build the foundations for "Capital Gaelic". By collaborating and sharing resources, the Capital Gaelic network aims to increase opportunities to learn about the

language and culture for as many people as possible, embedding Gaelic as a vibrant part of life in the city for the benefit of citizens and visitors.

Priorities for 2023-2027

Supporting the aims described above, the priorities for the next iteration of the Council's Gaelic Language Plan are summarised below. The actions to support these are described in the implementation plan, shown in the appendix.

1. Using Gaelic

- Ensure that children and young people in Gaelic Medium Education (GME) develop a strong sense of Gaelic culture and community, linked to the ethos, vision and aims of their schools
- Actively support the development of a Gaelic community centre, linked to GME provision, through close partnership with the Gaelic language community in the city

2. Learning Gaelic

- Continue to improve the quality of provision of Gaelic Medium Education from 0-18 in line with national guidance and shaped by stakeholder participation, which includes the voices of children and young people
- Undertake the duty under the Education (Scotland) Act 2016 to promote and support, as appropriate, the potential for Gaelic medium and Gaelic learner education to the CEC residents, including the opportunity that exists under this Act for parents to request the establishment of Gaelic Medium Education.

3. Promoting Gaelic

- Lead on developing the Capital Gaelic project and brand, building on its potential for coalescing the wider Gaelic cultural and linguistic community and the tourism sector, linked to and supporting developments in GME

Resourcing the plan

Funding for Gaelic and GME comes from a variety of sources, and the actions set out in the plan are dependent on continued specific financial support from the Scottish Government:

- Education per capita funding for schools
- Rising rolls funding for schools
- Scottish Government Grant (annual)
- Additional capital funding from the Scottish Government
- Grants from Bòrd na Gàidhlig to support specific posts and projects

Implementation and monitoring

The implementation of the Gaelic Language Plan 2023-27 will be overseen by the Gaelic Implementation Group (GIG), which comprises Elected Members, Council officers and key stakeholders and representatives from the Gaelic community. It meets on a quarterly basis to consider progress and to identify priorities for further action.

Monitoring of GME is detailed in the Gaelic Medium Education Improvement Plan and is overseen by the Bòrd Ionnsachaidh na Gàidhlig (Gaelic Learning Board).

National Gaelic Language Plan Priorities

Cleachdadh na Gàidhlig / Using Gaelic

Ciamar a tha a' bhuidhinn a' toirt fàs air cleachdadh na Gàidhlig?

How is the organisation increasing the use of Gaelic?

This links to the priority “Gaelic is visible, encouraged and has a sustainable future” in our Gaelic Language Plan 2018-22.

This section gives an overview of how we have **increased the use of Gaelic** through increasing awareness of Gaelic events, publicity in Gaelic and supporting and promoting opportunities for participation. We have outlined activity in schools in a later section.

Communication - supporting and promoting opportunities to participate in Gaelic events:

1. We have developed a communications plan with SMART objectives:
 - To create an informative, accessible and engaging online network of content for all Gaelic speakers, (fluent and learner) and supporters of Gaelic in Edinburgh
 - To raise awareness of activities to encourage engagement and participation from all parts of the Gaelic community in the capital
 - To promote and strengthen wider awareness of Gaelic and its presence within the capital to both Gaelic and non-Gaelic speakers
 - Develop beneficial online links with Gaelic groups, initiatives, and communities across Scotland.
2. CGDO with our Communications Team continues to work to develop a series of regular News Beat articles (published on the Council's intranet) and to increase Facebook activity as a way of sharing opportunities more widely.

Expanding the Gaelic Offer in the City

As a member of a range of groups and committees, the CGDO supports both the development and the promotion of Gaelic activities:

1. Seachdain na Gàidhlig | Dùn Èideann: the CGDO is a member of committee and with Edinburgh University Gaelic Officer leads on the programme
2. Successful Digital Local Mòd, May 2022: the CGDO is a member of the committee which organised Fringe events and led Gaelic sessions during Fringe. CGDO supported the Edinburgh Pre-National Mòd ceilidh September 2022
3. Taobh na Pàirce and Àrd-sgoil Sheumais Ghilleasbuig (SG/JGHS) with CGDO engagement: developing opportunities for use of Gaelic in Edinburgh amongst youth and in partnership with:
 - a. The National Library:
 - i. Family Treasure Event May 20th, 2022, supported by Dolina MacIannan
 - ii. Musical Event June 21st, 2022
 - iii. Playground Game: Taobh na Pàirce, Àrd-sgoil Sheumais Ghilleasbuig 2021/22
 - b. National Galleries:
 - i. Labelling project from September 2022 JGHS pupils: the re-opening of the Scottish Gallery.
 - ii. Your Art World project with Taobh na Pàirce: an online gallery showcases all the art February 2022

4. CGDO with Earth in Common and GME staff: project from May 2022, Ceòl is Nàdar. Provide young Gaelic speakers with the opportunity to use the language out with school. Focus on supporting people's wellbeing through using Gaelic, encourage or support families to use Gaelic together at home and create opportunities for adults to learn Gaelic
5. CGDO with TnaP and JG's: publicise Gaelic events and Gaelic learning opportunities for parents through their usual network
6. BBC Alba promotion of Gaelic in tourism – Invisible Cities 2022: CGDO supported Guides with "Gaelic for Tour Guides" sessions - Languages of Scotland tour launched May 2022. Featured on An Là BBC Alba
7. CGDO with The Edinburgh Local Mòd Committee: return of the Gaelic Lunches in Edinburgh from May 2022; originally set up and led by the late Iain Macleòid/ John Macleod. Iain who was originally from Carloway on Lewis was a champion of Gaelic language and culture all his life and actively involved with Gaelic development in Edinburgh. The first lunch May 2022: 24 attending. November 2022: 27 attending.

Increasing awareness of developments in GME in Edinburgh:

Within schools:

1. TnaP held two events in the last year for parents and members of the public to provide an update on progress with GME education.
2. Open Evening at Darroch Annexe – invitation to C6 & C7 parents from TnaP, as well as JGHS parent/carer community to visit the new GME-focused extension of JGHS. An audio tour was created by the Senior Leadership Team to share more information about the building and GME developments in Edinburgh. This event also supports enhanced transition.

Ionnsachadh na Gàidhlig / Learning Gaelic

Ciamar a tha a' bhuidhinn a' toirt fàs air ionnsachadh na Gàidhlig?

How is the organisation increasing the learning of Gaelic?

This links to priority "our communities are supported to be fluent and confident speakers" in our Gaelic Language Plan 2018-22.

We are actively engaged in delivering on the national strategy for adult Gaelic learners.

Learning for the public:

The CGDO supports:

1. Central Library:
 - Community Group Reading Club
 - Community Conversation Class
2. Gàidheil Dhùn Èideann: with senior members of the Gaelic Community to plan events suitable for native Gaels in the city. In partnership with NLS and Galleries for events. 9th June 2022 Private visit to NLS - Gaelic specific.
3. Gaelic Playgroups:
 - Conversation classes and opportunities to learn the language for preschool children/parents/carers: Gàidhlig is Cabadaich: fortnightly at NLS from March 2022
 - Book bug McDonald Road Library, 2022
 - Book bug Central Library, Edinburgh Local Mòd Fringe May 2022, International Book Festival August 2022

4. Gaelic Language classes in the Adult Education Programme:

- Feb 22 – March 22: Beginner- 7 students Intermediate - 5 students
- May 22 – Jun 22: Beginner - 7 students Intermediate – 7 students
- Sep 22 – Dec 22: Beginner - 21 students Intermediate - 14

- Classes are protected against low uptake levels (i.e. less than 12 places filled) through subsidy from Gaelic funding.

Learning for staff Council-wide:

One of the aims of our Gaelic Language Plan is to improve the awareness, learning and use of Gaelic across the Council, in line with the objective of improving the visibility of Gaelic and to ensure staff are informed about the Gaelic Plan, history, culture and relevance of Gaelic in Edinburgh.

The CGDO is supporting this in a number of ways:

- CGDO with Learning and Development colleagues has developed a digital learning module for staff, “Gaelic Awareness” which was launched December 2021 and shared with National Library of Scotland
- Weekly “Lunch and Learn Gaelic” sessions for staff (Council and NLS) and Elected Members with blocks starting in April 2022 and October 2022. These have been very popular, with staff attending from a wide range of services in the council. Learn Gaelic and Duolingo recommended at these events as online resources for learning Gaelic.
- Additional evening classes for staff were provided by an external tutor, online from November 2021 and February 2022 for Beginners and Intermediate.

These activities have created a positive image and environment for Gaelic among staff.

Teaching in schools:

a) Staff language skills and development:

- We have support in place for staff to complete their Gaelic Language in Primary Schools training. We will continue to promote these opportunities to staff for future sessions.
- We operate a full programme of Career-Long Professional Learning (CLPL) input for staff across sectors, with the focus on Gaelic language and fluency and immersive pedagogy.
- TnaP provide financial support for externally delivered courses, as well as allowing time away for assessments and seminars; they are currently delivering bespoke in-house training to all staff. Specific Grant funding supports costs of externally delivered courses.
- Taobh na Pàirce regularly engage in Gaelic skills training:
 - Grammar Professional Learning x1
 - PSA x 1 engaged in Sabhal Mòr Ostaig course
 - Class teacher x1 engaged in Sabhal Mòr Ostaig course
 - Class teacher x1 engaged in SMO MEd – Gaelic Education
 - Class teacher x1 engaged in classroom language learning – in house learning
- GME staff attend regular meetings with Central Belt Gaelic Secondary Teachers group which considers QA, moderation, sharing resources and best practice.
- Three JGHS staff are following Gaelic Learners’ courses delivered by Sabhal Mòr Ostaig.
- Two teachers who completed the full-time immersion course last year are currently engaging with follow-up Gaelic immersive input.
- Having completed the full-time immersion course last year, funded by Scottish government and BnaG, our GME Music teacher specialist is currently engaging with follow-up Gaelic immersive input and working across JGHS and TnaP

- Staff engage with professional learning opportunities through our global [Edinburgh Learns](#) offer to ensure parity of access to high quality provision with staff in English Medium settings. In addition, specific provision for GME staff is available through local and national providers.
- A central focus of CLPL input for staff across sectors, is on Gaelic language and fluency and immersive pedagogy. This is through a blend of accessing opportunities provided by partner organisations and bespoke, in-house engagement activity, designed to meet group and individual needs. External opportunities are funded through school, Scottish Government and grant applications to external sources.

b) Scope and scale of provision:

0-3 & Early Years Provision:

- Following informal consultation with staff and service users, a new Early Years GME Development Officer Post was created to improve cohesion and continuity across 0-5 services. The role allows for greater articulation across our services and increased collaboration within the local authority, local communities and with partners and colleagues across Scotland. Working in close partnership with Early Years QIEO/QIEM, school teams, partner providers, the Capital Gaelic Officer and network, this role has increased and enhanced partnerships to improve continuity and progression as families and children transition through the stages of early years provision. This post is funded through Scottish Government and Bòrd na Gàidhlig grants.
- Numbers attending Croileagan groups have increased steadily, with a number of new families having joined since the summer break. The groups continue to attract a diverse range of families, many from the local catchment area, with strong representation of bilingual and multilingual learners. Groups have been able to return to their original venues but maintain outdoor activity alongside indoor sessions. The team are leading sessions in libraries, in conjunction with our Capital Gaelic Development Officer and Capital Gaelic Network partners.
- Sgoil-àraich – the nursery class at Bun-sgoil Taobh na Pàirce, is operating with 1140 hours, using a term-time model, in line with the Early Years expansion plan.
- We are working in partnership with Òganan, who have now become a Partner Provider and are able to top-up provision so that families can receive their entitlement of 1140 hours of funded Early Learning and Childcare to children and families.

Schools:

- TnaP are delivering GME to 399 and 40 in nursery and host Òganan Dhùn Èideann as a Partner Provider and for Gaelic-medium wraparound-care.
- Our primary team have continued to focus on improving attainment and offering an immersive GME environment. This includes adapting practice to meet increased need in terms of support with Gaelic language, following disruption to learning and limited engagement with Gaelic provoked by the pandemic.
- Pupil Voice groups are well established, with a focus on a range of topics, including language and culture. These groups will be central to wider consultation and subsequent decision making on curriculum reform.
- In line with Edinburgh Learns for Life strategy, both schools have Equalities groups, reflecting current priorities at local authority and national levels and influencing school decision making.
- A renewed focus on partnership work provides curriculum enrichment across sectors. The Capital Gaelic Network is an increasingly significant resource in this respect.
- SG/JGHS has undergone a significant expansion of the GME Secondary provision:
 - Successful completion of Darroch Annexe refurbishment in October 2022 – S1 & S2 GME pupils attend the building for most of their GME subjects. The building is the “home” of Gaelic at JGHS and allows for the development and strengthening of our Gaelic ethos and identity.

- The majority of the S1 cohort now receive 9 of their subjects through the medium of Gaelic.
- S1 now receive Key Adult Time in Gaelic.
- The use of Gaelic has increased across the school, both in terms of the amount of time pupils spend being immersed in the language, and the opportunities staff have to communicate in Gaelic.
- The secondary curriculum offer has been expanded and enriched through increased staffing and investment in additional resources, i.e. mobile science lab equipment for Darroch; the addition of a music specialist to our cross-sector team.
- GME Depute Head Teacher now in place to provide strategic overview of GME at Secondary level at JGHS, as well as Community leadership for GME pupils
- All S1 & S2 pupils have been organised into a new GME community named Darach. This will expand in 2023/24 to include S1-S4, with hopes of strengthening and consolidating a GME-positive ethos across the school

Transitions:

- Support for transition within Early Years has been enhanced through the work of the Early Years Development Officer.
- An enhanced P7-S1 transition programme is in place for pupils to support well-being during the process and into the initial months in secondary. Transition is supported during both P6 and P7 through staff and pupil visits.
- Parents and families have greater opportunities for contact with secondary school staff and information regarding curriculum and learner experience through planned meetings and events.

Digital:

- We have secured Scottish Government funding for set up of classrooms in both school settings for use of Esgoil, helping us to increase the amount of Gaelic input available to pupils. The equipment has been installed and while some technical issues remain, we are now able to use successfully and we are contributing to teaching of the E-sgoil national offer (short term cover for E-sgoil teacher).
- Two classrooms will be fitted with equipment to enable Esgoil access at Darroch this session. Funding for this was secured from Scottish Government.
- GME pupils are benefiting from the 1:1 Empowered Learning programme being rolled out across the authority, with all learners from P6 onwards allocated a personal ipad.

Learning Environment:

- Improvements to acoustics at TnaP have notably improved the learning environment and are ongoing.
- Planning for the refurbishment of the Old Janitor's House at TnaP is now complete and work will begin in February 2023. This project will provide a base for 0-3 services and extend the space available to all learners in the Early Years, including a bespoke space for outdoor learning activities.
- Refurbishment of Darroch Annexe is complete and the GME team and learners have successfully transitioned into the facilities. Further improvements are planned to provide a nurture room and outdoor learning spaces.

d) Recruitment:

- We are currently completing a short promotional film to support recruitment and retention of GME staff.
- TnaP regularly employ people who have an interest in Gaelic, who are perhaps in the early stages of learning, and provide a range of supports to enhance the development of their skills.
- Work is ongoing with key partners, including FE/HE institutions and other local authorities, to develop a programme for career-long professional development which will support recruitment and retention.

A'cur air adhart na Gàidhlig / Promoting Gaelic

Ciamar a tha a' buidhinn a' cur deagh iomhaigh air adhart airson na Gàidhlig?

How is the organisation promoting a positive image of Gaelic?

This links to our priority “Gaelic is visible, encouraged and has a sustainable future within the city of Edinburgh” and our ambition to support the development of a strong and vibrant Gaelic community.

The activities described below reflect our approach to increasing the prominence of Gaelic within schools and across Edinburgh, and our efforts to develop career opportunities and pathways for learners.

Initiatives designed to increase the visibility of Gaelic activity and resources across the City include:

1. Edinburgh trams: bilingual web page for the Newhaven route stops will be available online 2023, translated by Ainmean Àite na h- Alba 2022
The following link shows the existing route stops available: <https://edinburghtrams.com/plan-journey/route-maps-stops> [See “If you would like this information in Gaelic, click [here](#)”]
2. Gaelic content on the Council web pages with the highest potential reach: Gaelic version of school term: [School term dates 2023/24 – The City of Edinburgh Council](#).
3. Central library: in partnership with S2 Gaelic, Àrd-sgoil Sheumais Ghilleasbuig, bilingual signs on display in Edinburgh and Scottish Collection. Launched October 2022
4. Bilingual “welcome” poster with Comunn na Gàidhlig/Taobh na Pàirce pupils: on display at reception at City Chambers and Waverley Court
5. Web team with CGDO considering options for creating a duplicate of the homepage with Gaelic text

7. The CGDO supported the Lord Provost to record an online greeting to Edinburgh’s twin cities: Recorded 8th December 2021 – forwarded to twin cities Dec 2021

Activities to generate employment using Gaelic include:

- In line with the priorities of Edinburgh Learns for life, we are working alongside colleagues in other City of Edinburgh Council schools and with senior education officers to build on initial work on apprenticeship pathways for GME students. We are working with Capital Gaelic and broader partners to design work placements, which will link with frameworks being set up across City of Edinburgh Council schools to provide models adapted for GME learners.
- Through the Scottish Government Faster Rate of Progress network, we are working with colleagues from SQA, SDS, Education Scotland and partner authorities to take this work forward collaboratively with focus on offering young people a range of pathways to employment and FE/HE through GME.

Partnership approach to develop a programme of Gaelic Events:

Developing a programme of Gaelic Events

CGDO, City Arts Centre and JGHS:

Capital Gaelic, Partnership with the National Library of Scotland:

The Capital Gaelic Development Officer, part funded by Bòrd na Gàidhlig, the National Library of Scotland and Comunn na Gàidhlig, started in post in November 2021.

Summary of progress of Capital Gaelic project 2022:

1. A network has been established among leads in key stakeholder organisations (NLS, NMS, NGS, SDS, CEC, EU, CnaG) to shape and share a high-level vision for Gaelic in Edinburgh (e.g., Gaelic belongs to everyone) to identify opportunities, share knowledge and expertise, and shape a vision for the future of Gaelic in the city. Regular meetings held with representation from all organisations
2. Promoting a positive image of Gaelic by increased its visibility through shared and co-ordinated activities (strengthening networks)
 - Capital Gaelic Facebook page: launched Sept 2022 with all network organisations contributing – daily posts

Promotion of Gaelic in Tourism:

Having become a member of The Gaelic Tourism Implementation Group, Visit Scotland, the CGDO initiated

joint work with Invisible Cities (social enterprise with people who have been homeless) to develop Gaelic-related content (the history of Gaelic in Edinburgh and simple phrases) which Guides will incorporate in current tours. The CGDO:

- Led a training session on 16th March 2022 for new guides.
- Continues to promote Gaelic in tourism, Invisible Cities *Languages of Scotland* tour developed – trial 8th A: pril 2022, tour launched May 2022. Featured on An Là BBC Alba

Gaelic Hub

There is longstanding ambition to have a Gaelic Hub for Edinburgh with exhibitions, events and potentially a cafe to showcase and promote the language and heritage. Plans are at an early stage. CGDO is a member of this group.

The Council's CGDO and Business Gateway Team (Economic Development) have met with Ionad Gàidhlig Dhùn Èideann to discuss the proposed Gaelic Hub, and to propose a half day "strategy planning workshop" with Board Members, which was postponed due to pandemic.

Ciamar a tha sibh a' coileanadh an dleastanais seo?

Under Section 15 of the Education (Scotland) Act 2016, local authorities which already provide Gaelic education in their area must take reasonable steps to promote this. All local authorities must take reasonable steps to promote the rights which parents have under the Act to make a request for Gaelic Medium Primary Education and the potential provision of Gaelic Learner Education. Could you tell us how you are undertaking this?

We do this by providing information on provision and the application process, and through direct contact with interested parents:

- The Council's public website includes a section on [Gaelic in schools](#), which gives details of how to apply for a place in the GME primary school, Bun-sgoil Taobh na Pàirce (TnaP).
- Within the TnaP school setting, we meet regularly with parents who have an interest in Gaelic Medium Education. Examples include regular open afternoons for prospective nursery parents, one to one meetings with prospective parents, well planned- enrolment week, with open day, in November. This was on-hold during Covid-19 but has been reinstated in 2022.
- We have also taken significant steps to promote GME at the secondary level. The presence of Gaelic at SG/JGHS has grown, with an effective working partnership established between CEC Officers, schools and parent groups.

Schools:

Taobh na Pàirce:

In addition to our focus on closing the attainment gap, staff make every effort to include pupils from all backgrounds in extra-curricular activities. Strategies include budgeting to allow pupils from low-income backgrounds to take part in trips at a reduced cost, or free of charge. This has been key in allowing pupils from varying demographics to have the opportunity to use their Gaelic in a social environment, as well as in the classroom.

This session, in partnership with the parent council, Taobh na Pàirce have established an inclusion fund which is ring-fenced to support learners who might need support in accessing particular items for school, extra-curricular activity etc.
