

QUESTION NO 8

By Councillor Main for answer by the Convener of the Education, Children and Families Committee at a meeting of the Council on 19 September 2019

At recent meetings with young people at Boroughmuir High School, James Gillespies High School and James Gillespies Primary School, they shared common concerns about schools being too hot, schools lights being kept on when not needed and the lack of good recycling facilities and processes.

Can the Convener provide:

- | | |
|-----------------|---|
| Question | (1) For each primary and secondary school in Edinburgh, heating and lighting costs for the last 2 years and this year's budget, including any off-set from school renewable projects. |
| Answer | (1)
(2) Details of the temperature that schools are heated to and how that is controlled.
(2)
(3) For each primary and secondary school in Edinburgh, details of the quantity of landfill, food waste and recycling for the last two years, and the quantities to date this year.
(3)
(4) Details of the recycling facilities in schools, what is provided for schools and how good practice in recycling is maintained.
