Description of Proposal

Please provide a description of your proposal to which your review relates. The description should be the same as given in the application form, or as amended with the agreement of the planning authority: *
(Max 500 characters)

Short term let application for existing short term let property.

Type of Application

What type of application did you submit to the planning authority? *

- Application for planning permission (including householder application but excluding application to work minerals).
- Application for planning permission in principle.
- Further application.
- Application for approval of matters specified in conditions.

What does your review relate to? *

- Refusal Notice.
- Grant of permission with Conditions imposed.
- No decision reached within the prescribed period (two months after validation date or any agreed extension) – deemed refusal.

Statement of reasons for seeking review

You must state in full, why you are seeking a review of the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your review. If necessary this can be provided as a separate document in the 'Supporting Documents' section: * (Max 500 characters)

Note: you are unlikely to have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account.

You should not however raise any new matter which was not before the planning authority at the time it decided your application (or at the time expiry of the period of determination), unless you can demonstrate that the new matter could not have been raised before that time or that it not being raised before that time is a consequence of exceptional circumstances.

We are appealing this decision for the following reasons:- 1. Other units in the stair (11,5,4,3) have been granted consent for short term lets with others to follow. 2. The property has been running as a short term let as a business for over 10 years. 3. The location of the property is not in a residential area and is unsuitable for long term residential use to lack of normal residential amenity requirements, significant number of tourists, noise, other short term lets in stair.

Have you raised any matters which were not before the appointed officer at the time the Determination on your application was made? *

Yes No

If yes, you should explain in the box below, why you are raising the new matter, why it was not raised with the appointed officer before your application was determined and why you consider it should be considered in your review: * (Max 500 characters)

1. Because other short term let consents have now been granted in the stair. 2. Because the property now been trading for over 10 years.

Please provide a list of all supporting documents, materials and evidence which you wish to submit with your notice of review and intend to rely on in support of your review. You can attach these documents electronically later in the process: * (Max 500 characters)

1. Planning reference 23/05201/CLESTL 2. Planning reference 23/05191/CLESTL 3. Planning reference 23/05185/CLESTL 4. Planning reference 23/05141/CLESTL 5. Reservation Statement from Booking.com from July 2014. 6. Confirmation from Air BnB confirming trading history as over 10 years.
