Application for Advert Consent 19/04160/ADV At Bus Shelter 163 Metres East Of Gogarburn Tram Stop, Glasgow Road, Edinburgh

The removal of an advertising shelter with parallel ads to the road and the installation of a replacement upgraded Foster advertising shelter, with adverts facing drivers.

Item number

Report number

Wards

B01 - Almond

Summary

The proposal accords with Regulation 4 (1) of the Town & Country Planning (Control of Advertisements) (Scotland) Regulations 1984 (as amended), and non-statutory guidance on Outdoor Advertising and Sponsorship. It will have no impact on the amenity of the location or public safety. There are no other material considerations which outweigh this conclusion.

Report

**Application for Advert Consent 19/04160/ADV
At Bus Shelter 163 Metres East Of Gogarburn Tram Stop,
Glasgow Road, Edinburgh
The removal of an advertising shelter with parallel ads to the
road and the installation of a replacement upgraded Foster
advertising shelter, with adverts facing drivers.**

Recommendations

1.1 It is recommended that this application be Granted subject to the details below.

Background

2.1 Site description

The site is located on the city bound side of Glasgow Road (A8) to the east of Gogarburn Tram Stop. The tram line runs behind the bus shelter, screened by landscaping and a stone wall. The bus shelter is located to the northern end of the recessed bus layby. International Business Gateway is located to the north of the site, and RBS Gogarburn is to the south.

Bus shelter reference: EDH0269AB.

2.2 Site History

There is no relevant site planning history.

Main report

3.1 Description Of The Proposal

The site currently has an existing advertising bus shelter with parallel adverts to the road. The proposal seeks a replacement advertising bus shelter with a double-sided LED advertising bus shelter on one side elevation, facing drivers. The advertising panel will be 1160mm x 1710mm on each side (inward and outward facing), lit with four LED strip lights to provide uniform back light distribution. The visible screen area would be 1.9 square metres.

The existing bus stop is being replaced with a new bus shelter as part of the Council's advertising contract with JC Decaux (the Applicant). This application relates to advertisement consent only, with the shelters being installed under the Council's permitted development rights.

3.2 Determining Issues

Do the proposals affect the amenity of the locality? In the determination of the suitability of the site for the display of advertisements, the Planning Authority shall have regard to the general characteristics of the locality including the presence of any feature of historical, architectural, cultural or similar interest. The authority may disregard any advertisements displayed in the locality.

Do the proposals affect public safety? The Planning Authority shall in particular consider whether any such display is likely to obscure, or hinder the ready interpretation of, any road traffic sign, railway signal, or aid to navigation by water or air.

3.3 Assessment

To address these determining issues, the Committee needs to consider whether:

- a) The proposal will have a detrimental impact on amenity;
- b) The proposal will have an adverse impact on public safety; and
- c) any material representations have been addressed.

a) Amenity

The Council's guidance on Outdoor Advertising and Sponsorship does not allow advertising on items of street furniture other than bus shelters, and advertising on bus shelters would not be permitted in visually sensitive locations. However, this location is not deemed to be visually sensitive and therefore there is no detrimental impact on the amenity of the area.

The proposal seeks to introduce advertising and illumination as an integrated part of a new streamlined bus shelter. Due to the positioning and orientation of the advert, there would be no adverse impact on residential amenity.

The proposals comply with the relevant Council Guidance.

b) Public Safety

The proposed advert is in line with the Council's Guidance. The advert will not impact on road safety, nor will it present any issues for pedestrians on Glasgow Road.

The Roads Authority have advised they have no objections in terms of road safety.

c) Material Representations

No representations were received.

Conclusion

Regulation 4(1) of the Town and Country Planning (Control of Advertisements) (Scotland) Regulations 1984 (as amended) states that advertisement control shall be exercisable only in the interests of amenity and public safety.

The proposal will not have an impact on amenity or public safety and complies with the Councils Guidance on Outdoor Advertising and Sponsorship.

There are no material considerations that outweigh this conclusion.

It is recommended that this application be Granted subject to the details below.

3.4 Conditions/reasons/informatives

Conditions:-

1. Consent is granted for a period of five years from the date of consent.

Reasons:-

1. In order to accord with the statutory requirements of the Town and Country Planning (Scotland) Acts.

Financial impact

4.1 The financial impact has been assessed as follows:

The Council has a contract with the applicant to provide outdoor advertising and street furniture, primarily bus shelters, in the city. The financial impacts to the Council were reported to Finance and Resources Committee on 5 June 2014.

Risk, Policy, compliance and governance impact

5.1 Provided planning applications are determined in accordance with statutory legislation, the level of risk is low.

Equalities impact

6.1 The equalities impact has been assessed as follows:

The application has been assessed and has no impact in terms of equalities or human rights.

Sustainability impact

7.1 The sustainability impact has been assessed as follows:

This application meets the sustainability requirements of the Edinburgh Design Guidance.

Consultation and engagement

8.1 Pre-Application Process

Pre-application discussions took place on this application.

8.2 Publicity summary of representations and Community Council comments

No representations were received.
