Addendum by the Conservative Group

Education, Children and Families Committee

8 October 2019

Item 7.14 - Breakfast Clubs: St Francis RC, Niddrie Mill and Ferryhill Primary Schools

Committee:

Adds to recommendations

- 1.1.4 Notes that no pupils have transferred from the Venchie referred breakfast club to Niddrie Mill and St Francis primary schools and the Venchie remains operational and the first transition meeting was held on 3 October.
- 1.1.5 Notes that currently school's attendance from pupils at the universal breakfast club and attending the Venchie is broadly comparable.
- 1.1.6 Agrees that the key evidence will be whether this drops for pupils formerly attending the Venchie who transition to the universal breakfast club.
- 1.1.7 Agrees to report on both the impact on attendance AND on attainment (using comparable metrics such as SNSA assessments) of those children no longer attending the Venchie and Drylaw breakfast clubs within two cycles.
- 1.1.8 Agrees to review the funding available for referred breakfast clubs should evidence suggest that attending of universal breakfast clubs had negatively impacted on those children previously attending the referred providers.
